Academy

Personal Development (Future Ready) Curriculum

Future ready Overview

Intent

The Future ready curriculum at Lotus Academy aims to develop KS4 pupils' understanding of themselves, the world of work and future opportunities. Pupils will build aspirations, explore pathways, develop employability skills and prepare for adulthood through a progressive programme of careers education. The curriculum supports pupils to make informed decisions, develop resilience and independence, and understand the knowledge, skills and behaviours required for future success.

Implementation

The Careers curriculum is delivered through six half-termly units:

1. Building for the Future
2. Explore Possibilities and Job Opportunities
3. Goal Setting
4. Employability Skills
5. Balancing Life and Work
6. Work Experience and Enterprise

Learning is sequenced progressively across KS4 and incorporates:

- Labour Market Information (LMI)
- Career Pathways
- Employability Skills
- Enterprise Education
- Work Experience

- Careers Guidance
- College and Provider Encounters
- Annual Reviews
- PSHE Links
- Gatsby Benchmarks

Future ready LTP

	Autumn		Spring		Summer	
Year 10/11	Building for the future	Exploring possibilities/Job opportunities	Goal setting	Employability skills	Balance life and work/lifestyle	Transition preparation/work experience
